

## “Keep Your Distance”: For Reflection and Discussion

1. Read the account of Lot in Genesis, chapters 14 and 19
  - How do you think Lot and his family were influenced by Sodom?
  - In what ways?
  - Why do you think Lot appears to have had so little moral/spiritual influence on the people around him?
  
2. As Christians, what does it mean to be in the world, but not of the world? Try to be practical as you reflect on this.

3. What are some ways I might expose myself or others to “spiritual infection”?
  - Can I identify any situations where I might be allowing myself to get “too close”?
  - How can I “vaccinate” myself and/or others?
  
4. During this pandemic we are experiencing, how can I be a blessing, a light, to others who are both inside and outside my church family? Try to come up with 5 practical ideas.
  
5. What are some ways I can utilize the “spiritual parallels” afforded by the current circumstances to help my family better understand and appreciate spiritual truths?
